

December 13, 2007

Colleen Kramm did one of the nicest treatments for on location TV shooting I have had in 13 years of broadcast television.

She was versatile and well prepared for digital TV shooting, friendly, and assuring. She came early to our location and attended to details with a professionalism that set the tone for a great day of shooting.

I'd highly recommend Colleen Kramm for any make up requirements.

Sincerely

Lorna Dueck
